## GRIEF RECOVERY

One of the least acknowledged and least addressed concerns in our society is Grief, the normal and natural reaction to loss.

Whether your loss is from the death of a loved one, a divorce, loss of career or loss of health, grief will continue to affect our lives and the lives of those around us. There are many Myths about grief: Time Heals all wounds; Replace the Loss; Grieve Alone and Be Strong.

The outreach program will guide those who wish to resolve their loss issues and move beyond grief to a richer quality of life. As a result of participating in this program your life may become more enriched, more alive and more fulfilled than ever before.

This 12-week program will be conducted by Celynn McClarrinon, Certified Grief Recovery Specialist. "The Grief Recovery Handbook: the action program for Moving beyond death, divorce and other losses" is the book we will use.

The 12-week program will begin on **Wednesday, January 11th from 6-8 pm** in the Eagle Public Library. Another group will start shortly after this one up valley. Cost of the program is \$40.00. Please call for further information: Celynn 970-376-8248.
